

DOOR DESIGNS

IMPORTANT NOTE: The below illustrations are examples of the original door panel designs. They do not necessarily incorporate the original style of glass. Paint styles are now very varied: originally the Haberdashers' used dark green approximately as shown in the illustration for Arbutnot Road 57-85 odds immediately below or as shown in illustration for Queens Road, 294-300 evens.

The majority of the properties within the properties developed by the Haberdashers' Livery Company within the Telegraph Hill Conservation Area, Character Area 1a in the Telegraph Hill Conservation Area Character Appraisal, have the designs of door illustrated on this page. Exceptions are shown on page 3 onwards.
